EDUCATION

Indiana University, School of Education
M.S. Education – Instructional Systems Technology   1989

Indiana University, College of Arts and Sciences
B.A. Theatre & Drama, Areas of Concentration: Acting and Directing   1986

ACADEMIC POSITIONS - INDIANA UNIVERSITY

Senior Lecturer	Indiana University	2016-Present
Lecturer	Indiana University	2009-2015
Visiting Lecturer	Indiana University	2007-2009
Adjunct	Indiana University	2006-2007
Adjunct	Ivy Tech State College	2002-2007
Adjunct	IUPUI	2000-2001
Grader	IUPUI	1999-2004

TEACHING EXPERIENCE

INDIANA UNIVERSITY – BLOOMINGTON, INDIANA
Department of Kinesiology, School of Public Health-Bloomington
Senior Lecturer – K200 Computer Applications in Public Health (*formerly Microcomputer Applications in Kinesiology*)   2007-Present

Teaching Innovations
- Contributed to department Canvas course Kinesiology Online Teaching Support, helping colleagues adapt classes to online environment including videos on using IU technology services
- Created honors section of K200
- Converted existing face to face class to hybrid and all sections to fully online course formats including honors and graduate (K506) sections to meet COVID-19 pandemic teaching demands

- Converted fully online classes for undergraduate, honors, graduate classes to hybrid to accommodate the return to campus in Fall 2021
- Created eight-week online summer version of K200
- Created screen capture videos for K200 hybrid and online sections – 52 to date – demonstrating software and IU computing services
- Employed active learning into classroom sessions and videos
- Develop innovative and engaging lessons in seven different software programs
- Partnered with IU Press for online publication and inclusion in IU eText program, publishing textbook *Introduction to Podcasting*
- Created social media projects
- Use class website for information dissemination bypassing logging into Canvas
- Chosen to participate in U.S. Department of State's 2019 Capacity Building Program for U.S. Study Abroad (Postponed to 2022)
- Instruct and assist Kinesiology colleagues in using their instructional technology including desktop computers, MS Office Suite, Canvas, and online resources
- Contributed to CEW&T faculty website creation course
- Invited to peer review for the Journal of Teaching and Learning with Technology
- Assisted Dr. Donetta Cothran in the creation of new course K450 Heroes, Villains, and Kinesiology
    - Assisted in video production and Kaltura channel management
    - Assisted in class discussions via Zoom

Teaching Duties
- Updated course name from Microcomputer Applications in Kinesiology to Computer Technology in Public Health
- Coordinate and manage five undergraduate sections and one honors section of K200
- Coordinate and manage one graduate section of K200: K506
- Design curriculum for K200 & K506 reflecting new instructional strategies and changes in software and computer services at Indiana University
- Coordinate and manage graduate section of K200, K506
- Instructor of record for three sections of K200, honors section, and graduate class K506
- Supervise and hire adjunct and graders
- Write, update, and publish instructional materials for K200 yearly.
- Webmaster for K200 class website, making updates each semester reflecting calendar and new and updated projects
- Design and update Canvas sites for all sections of K200 and K506

- Instruct and assist department and school colleagues in using their instructional technology including desktop computers, MS Office Suite, Canvas, and online resources
- Select textbooks for K200 and K506
- Contributed instructional materials, source documents, and instructional feedback on new course K450 Heroes, Villains, and Kinesiology
- Hutton Honors Resident Fellow for Union Street Center – 2021-2022
- Joined Center of Excellence for Women & Technology (CEW&T) Mentor Collective – received training and mentor a student throughout the academic year – 2021-2022
- Write letters of recommendation for deserving students applying for internships, travel, organizational membership, and graduate school

Social Media Coordinator, Department of Kinesiology   2018-Present
- Post latest information from Kinesiology faculty, staff, and students on designated Twitter and Facebook accounts

Webmaster, Department of Kinesiology   2007-2019
- Solicited changes to Website from colleagues
- Created News pages for department updates

Luddy School of Informatics, Computing, and Engineering
Lecturer – Current Topics in Informatics: INFO-I399 CEWITWEB Design SIG Leadership Development 1 and Current Topics in Informatics: INFO-I399 CEWITWEB Design SIG Leadership Development 2
- Requested by Assistant Dean for Diversity and Education, Luddy School of Informatics, Computing, and Engineering, to teach course
- Designed course: Created objectives, testing tools, instructional strategies, and materials
- Taught students to design and develop Websites using HTML, Dreamweaver, Weebly, and WordPress.
- Taught students how to teach others how to design and develop Websites
- Taught students how to work with clients

IVY TECH STATE COLLEGE, BLOOMINGTON, INDIANA
Trainer for Corporate & Community Services, Departments of Design Technology, and Office Administration
Adjunct Faculty for Computer and Office Application Courses for Several Departments   2002-2007
- Taught computer classes for Ivy Tech to businesses and community members
- Designed and taught online and classroom semester length courses

- Designed and taught workshops for Corporate & Community Service ranging in topic from Computer Basics for Seniors to Access
- Instructed adult students and senior citizens
- Designed and administered tests
- Wrote training manuals for Corporate & Community Service ranging in topic from using digital cameras to Access

INDIANA UNIVERSITY AND PURDUE UNIVERSITY AT INDIANAPOLIS (IUPUI), INDIANAPOLIS, INDIANA
Department of Computer Science
Adjunct Faculty – Instructor of Record for N241 – Web Design and HTML   2000-2001

- Communicated with students via classroom discussion and online technologies
- Created lesson plans and syllabus
- Evaluated student performance
- Coached students during class lab time
- Managed class Website
- Designed and administered classroom instruction
- Created lesson and job aids for student use

RELATED EXPERIENCE

Computer Support Department, School of Continuing Studies, Bloomington, Indiana Documentation Specialist   2006-2007

- Charged with creating training manuals for the new Dragon Learning Management System being created for the School of Continuing Studies
- Wrote documentation and training manuals for new software, Dragon
- Documented evaluations of school's classes
- Alerted programmers to bugs in Dragon software
- Created skins for Dragon software

Phi Delta Kappa, Bloomington, Indiana
Evaluation Consultant   2003-2005
Evaluated childcare programs for the Community Alliance to Promote Education grant

- Visited childcare providers throughout southern Indiana
- Evaluated childcare providers using the ECERS-R instrument
- Reported findings to Phi Delta Kappa

Indiana Web Academy, Indianapolis & Bloomington, Indiana
Education Coordinator   2001–2002
Consulted with Indiana Schools on using instructional and communication technologies

- Instructed educators in regional Indiana school corporations providing technology training and technical assistance
- Demonstrated the use of new and award-winning technology programs
- Instructed educators on best methods for teaching with technology
- Assisted school Website creation
- Recruited schools for membership in the Indiana Web Academy
- Instructed students in making Websites
- Taught a variety of software applications to Indiana educators including the Microsoft Office Suite, Dreamweaver, and a course on curriculum alignment

Rockman Et Al, Bloomington, Indiana
Research Associate   2000-2001
Assisted in the evaluation of educational technology programs for public/private schools and educational organizations; assisted in office management
- Created teacher surveys about instructional technology Website
- Analyzed survey data and wrote survey reports
- Created and maintained client relationships throughout evaluation process
- Observed client interactions and reported on client program progress

Department of Computer Science, Indiana University and Purdue University at Indianapolis (IUPUI), Indianapolis, Indiana
Grader   1999 – 2004
- Consulted with instructor to determine grading scale
- Evaluated student projects and assigned grades

Governor's Commission for A Drug-Free Indiana, Bloomington, Indiana
Associate Director/Community Consultant   1996-2000
Organized and gave technical assistance to volunteer community groups in seven counties across southern Indiana.
- Facilitated community meetings
- Designed regional trainings and instructional materials
- Increased attendance by 300% through audioconferencing for regional meetings
- Recruited youth and adult volunteers for regional and statewide conferences
- Revived dormant countywide volunteer groups
- Led implementation of new uses of technology
- Selected by state to work on Commission Web site design team
- Created regional office website
- Managed staff and clients in work projects

WTIU/Radio Television Services
Educational Television Services Coordinator   1994-1996

Managed television channel (WTIU School Zone) and educational programs (including Sesame Street Preschool Educational Program). Managed the selection and scheduling of educational programming for WTIU School Zone.

- Promoted use of public television resources within schools, libraries, and social service agencies
- Won national award for educational outreach program given by PBS
- Tripled number of Sesame Street Preschool Educational Program participants
- Arranged for MATHLINE to be offered for college credit
- Offered position of MATHLINE State Coordinator
- Represented MATHLINE to middle school teachers and IU School of Education
- Aided in creation of HoosierNet, a non-profit Internet service provider for Monroe County
- Wrote grants, controlled program budgets, and developed/coordinated teleconferencing
- Managed several databases of client information
- Managed several employees working for School Zone and Educational Services office

Research for Better Schools, Philadelphia, Pennsylvania
Research and Dissemination Assistant   1990-1993
Supervised information dissemination efforts to rural schools. Co-wrote grant proposals for study of distance learning and rural education ($150,000). Created and managed the Rural Information Exchange.

- Led workshops at two international conferences on distance learning
- Consulted with New Jersey Department of Education about technology implementation in schools
- Authored ERIC document on distance learning
- Designed and coordinated a regional distance learning conference
- Co-authored an ERIC-CRESS document on Native American education

PRESENTATIONS

INVITED

Lion, M., J. McKinna, G. Smith, M. Brayer, Elissa Makes Art. (March 2021) Panel Discussion on *Artist in the Time of COVID*. Presented via Zoom from University Library of Columbus Comic-Con.

Lion, M. (March 2021) *Crafting Your Digital Presence with Weebly Website Design*. Presented at 2021 Statewide Summit on Women & Tech, Indiana University, Bloomington, Indiana

Lion, M. (January 2021) *DMAI and Portfolio Management.* Presented at Teaching Faculty Career Development Series - 2021, Indiana University, Bloomington, Indiana

Lion, M., & Wilkinson, J., & Thomas, J. (November 2020) *Weebly for Website Design.* Presented at Web Development and Design for Faculty, Postdocs, & Grads, Indiana University, Bloomington, Indiana

Lion, M. (March 2020) *Make A Website in 15 Minutes.* Presented at CEW&T 2020 Summit - Celebrating Women & Technology, Indiana University, Bloomington, Indiana

Lion, M. (January 2020) *Portfolio Management and DMAI.* Presented at Non-Tenure Track Day on Professional Development, Indiana University, Bloomington, Indiana

Lion, M. (January 2019). *Portfolio Management and DMAI.* Presented at Non-Tenure Track Day on Professional Development, Indiana University, Bloomington, Indiana

Lion, M., & Elliott, R. (October 2018) *Group Responses| Computer Lab.* Presented at Annual Mosaic Design Symposium, Indiana University, Bloomington, Indiana

Lion, M., Kavousian, S., & Duncan, J. (January 2018). *Plenary Panel Discussion on the NTT Promotion Process,* Indiana University, Bloomington, Indiana

Lion, M. (October 2016) *Belly Dance Is For Every Body!* Presented at Brisco Living Learning Center

Lion, M. (April 2016) *Websites with Weebly.* Guest lecturer for Dr. Rachel Ryder. Indiana University, Bloomington, Indiana.

Lion, M. (January 2016) *Welcome to Belly Dance.* Presented at Warm-Up from Within, a holistic wellness weekend in Abe Martin Lodge, Nashville, Indiana.

Lion, M., Cooper, K., Tompkins, J. (September 2015) *Debunking the Myths of the Geek Gir*l. Presented for the at Center of Excellence for Women in Technology at Bloomingcon, Indiana University, Bloomington, IN

Lion, M., (October 2014) *Weebly – Making Websites in 15 Minutes.* Presented at Women Empowering Success in Technology (WESiT), Indiana University, Bloomington, Indiana

Lion, M., (October 2014) *Weebly – Making Websites in 15 Minutes.* Presented at Women in Technology (CEWiT) Techie Women Have More…, Indiana University, Bloomington, Indiana.

PEER REVIEWED

Lion, M. (March 2019) *Converting your Face-to-Face Class to Hybrid.* Presented at 2019 Center of Excellence for Women in Technology (CEWiT) Summit, Indiana University, Bloomington, Indiana.

Lion, M., Sera, K. (November 2016) *Set Your Sites on Google Sites!* Presented at Indiana Association for Health, Physical Education, Recreation, and Dance Annual Conference, Indianapolis, Indiana.

Lion, M., Sera, K. (November 2016) *Wonders of Weebly.* Presented at Indiana Association for Health, Physical Education, Recreation, and Dance Annual Conference, Indianapolis, Indiana.

Lion, M. (November 2014) *PE in the Snow Day!* Presented at Indiana Association for Health, Physical Education, Recreation, and Dance Annual Conference, Indianapolis, Indiana.

Lion, M. (November 2014) Q*uick Websites for PE Teachers.* Presented at Indiana Association for Health, Physical Education, Recreation, and Dance Annual Conference, Indianapolis, Indiana.

Lion, M. (November 2013) *PE Apps: Get Tech Fit!* Presented at Indiana Association for Health, Physical Education, Recreation, and Dance Annual Conference, Indianapolis, Indiana.

Lion, M. (November 2013) *Quick Websites for PE Teachers.* Presented at Indiana Association for Health, Physical Education, Recreation, and Dance Annual Conference, Indianapolis, Indiana

Lion, M. (October 2012) Music for the PE Teacher. Presented at Indiana Association for Health, Physical Education, Recreation, and Dance Southwest Regional Workshop, Vincennes University, Vincennes, Indiana

Lion, M. & Aungst, H. (November 2011) *Movement Analysis Technology for the Secondary Physical Educator/Coac*h. Presented at Indiana Association for Health, Physical Education, and Recreation, Indianapolis, Indiana.
